

# Ahmad Wahyudi

## Software Engineer

Sumenep, Indonesia | ahmadwahyudi2395@gmail.com | ahmadwahyudi.xyz

Software Engineer with 3+ years of experience delivering web products across entertainment, government, education, and corporate sectors.

### Core Skills

React | Next.js | TypeScript | JavaScript | Tailwind CSS | Node.js | Express.js | REST APIs | Deployment support | Debugging | Docker

### Experience

#### Software Engineer, DRT Management (Jun 2024 - Oct 2025)

- Built and maintained Next.js and Node.js web applications used across talent and operations workflows.
- Improved production support quality through deployment assistance, debugging, and practical IT operations coverage.
- Documented deployment and configuration processes so releases and service recovery were easier for the team to repeat.

### Selected Projects

#### Yayasan Raden Rahmat (2024) - <https://yasrama.com/>

- Public website for an educational foundation in Sumenep, focused on clear information architecture and fast access to foundation programs.

#### ahmadwahyudi.xyz (2023) - <https://ahmadwahyudi.xyz>

- Personal CV and portfolio site designed to stay lightweight, readable, and easy to maintain as career details evolve.

#### DRT Management (2023) - <https://drtmanagement.com/>

- Company profile experience for DRT Management with a polished public presence and maintainable frontend foundation.

#### DRT Top Up (2025)

- Internal web application for top-up services, supporting a cleaner operational workflow for DRT Management.

### Education

Trunojoyo Madura University - Bachelor degree in Computer Science (2016 - 2022 (Uncompleted))

SMK Negeri 1 Sumenep - Software Engineering (2012 - 2015)
